1. Editorial

Dear RC 05 Members,

Thanks to everyone who contributed to this 2024! First, I would like to take this opportunity to remind you of the CfPs for the ISA Forum to be held in Rabat, Morocco, July 6-11, 2025. The deadline is October 15 and will not be extended. Abstracts can be submitted via this link: <https://www.isa-sociology.org/en/conferences/forum/rabat-2025/5th-isa-forum-call-for-abstracts>

The last few months have been turbulent for all of us and have shown that critical engagement with our issues remains extremely important. I would therefore like to invite you to continue to use this opportunity to publish contributions to discussions, interesting events, calls for papers and references to publications.

RC05 can also provide a framework to organize online workshops and discussions. If you are interested, please contact the board (see also: news section).

The next newsletter will be published in early March 2025. Please feel free to send me anything that might be of interest to the members of RC 05.

Best wishes,

Catharina
